Welcome to the Spring edition of Y Cranc.

This semester these include:

- Wednesday 21 March   Accidental Plagiarism
- Wednesday 14 March   Research Methodologies
- Thursday 1 March     Searching for information
- Tuesday 20 February  Using images
- Monday 12 February   Mendeley
- Wednesday 7 February  EndNote

Our breakfast workshops are friendly, interactive and designed to enhance students' studies and improve their information and digital literacy.

Every week during term the library will be running breakfast sessions. These are short sessions designed to introduce students how to use the library to answer any questions students have. We are very proud that Swansea has been chosen as the UK to network, hear keynote speakers and share member presentations. Database reps will also be in attendance as sponsors of the event.

We had a busy start to the academic year... Assignments: Survive and Thrive event, at key times of the academic year.

Assignments Survive & Thrive

- Wednesday 21 March   Accidental Plagiarism
- Wednesday 14 March   Research Methodologies
- Thursday 1 March     Searching for information
- Tuesday 20 February  Using images
- Monday 12 February   Mendeley
- Wednesday 7 February  EndNote

This year, we have been working with the SoM Skills) which showed students how they can use the useful library databases and other resources that can be used to research companies and industries as well as stay up to date with latest developments.

Therefore we are working with the Marketing team to enhance students' studies and improve their employability.

In this edition we introduce you to our new breakfast bites sessions, inform you about an upcoming stock review and look at some of our teaching figures from last term.

We are delighted to be hosting the Business Librarians Association Conference which will be held 27th-29th June 2018 in the School of Management building.

We are happy to take part in a short interview and share how we are involved in this process and will consult academic academics that need access should contact Hussein Halabi (Library rep for Accounting and Finance).

The Bay Library wishes to acknowledge the rich and powerful research community at Swansea University. Therefore we are working with the Marketing team to enhance students' studies and improve their employability.

Thomson Eikon replaces Datastream

This year's venue. Please come and say hello if you're interested in knowing more about the conference or any of the topics covered.
